Private Lessons are the Key To SUCCESS

Many private lesson teachers are available to the Oswego music students because of our close proximity to the city of Chicago, and the Western Suburbs. Many professionals make a living playing music, and many are available to teach lessons to student at surrounding high schools. We hope that you have taken a private lesson by now. If you haven't, this is the time to start! Fall is a great time to get into a new practice routine and start lessons. At Oswego High School, we expect a lot out of the music students, because we know what is possible when you really want to BE GOOD! It's no secret that the best musicians in the high school are the ones that take some time out of their week and study privately with a professional. Call the band office for a name of a teacher, or visit the website: www.ohsband.org
