In addition to this application, you must submit a recorded audition excerpt to be considered for induction into Tri-M. This recording may be submitted as a CD recording, an emailed mp3 or video emailed to your director. You must clearly state your name, your year, and the title of your piece on the recording. The use of a live accompanist or SmartMusic accompaniment is preferred if the piece requires accompaniment. Due to practical differences in literature for voice vs. band instruments, there will be a difference in literature deemed appropriate for consideration. The types of literature are listed (but not limited to) the following:

****Instrumental-** Students may select an IMEA Etude (solo) or piece of solo literature that is both age and ability level appropriate. Musical selection excerpt should be 1.5 - 2 minutes in length.

****Vocal-** Students may use the current IMEA literature (sung a cappella in the appropriate number of parts for that piece), an a cappella quartet in any voicing (must be in distinct parts where unisons are at a minimum), or a solo (accompanied) considered as an English art song or foreign language piece. Your audition should be between 2.5-3 minutes in length with accompaniment interludes cut to a minimum.

****Check your title with your director prior to investing your time in it.**
